Please choose one: Men's Ladies' Boys' Girls' Comments: All made to me	easure payments are co	ollected up front. Del	ivery can take up to 16 weeks.
For more accurate measurements, lay your garment FLAT on a HARD surface and use a soft measuring tape. Smooth the garment with your hands, but do not stretch the fabric. Ironing is recommended for garments that are highly wrinkled. Note: For optimal results, consult a professional tailor to take these garment measurements.			
ONLY LENGTH CHANGE REQUEST			
Fill out this section if you're able to find an existing in-stock shirt size that basically fits and only requires alterations to sleeve length and/or center back length. Ask a store associate for assistance in locating the SKU. Simply follow these easy steps for requesting shirt modifications:		 Try on a shirt and record SKU# below of style that fits best. Measure current sleeve and/or center back length of shirt and record below. Indicate new measurement(s) below for one or both modifications being requested. Subtract the difference between the current stock measurement and the new requested measurement. 	
SKU: Description:			
E. Center of Back Length (From the center of the back neck at the collar seam to the bottom of the garment) Current BSA Stock Item:			
A. Neck Size: Open shirt flat and measure along the collar from the center of the button to the outside corner of the button hole. B. Sleeve Length:	C. Cross Shoulde With back of garment faci from shoulder seam to sho	Pr:ng you, measure straight acro	oss From the center of the back neck at the collar seam to the bottom of the garment.
*This measurement will not correspond to the size on the label. Please take this measurement from the garment as directed below. From the center of the back neck at collar seam to the end of the sleeve, including the cuff. Use the same kind of sleeve length as the one you are ordering.	Measure from side seam to bottom of the armhole. E. Armhole:	x 2:	From side seam to side seam at the bottom of the garment. If there are slits on the side, use the bottom-most point of the side seam.
